

Superintendent's Message

Welcome to the Fairview Public School District website. The 2018-2019 school year will be starting for all students in grades K-8 on September 5, 2018. Pre-K students will begin classes on September 10, 2018. The Fairview School District is proud to provide a quality elementary education to our students. The district will purchase 200 new chrome books this year to increase the technology available to our students. The district is planning to install additional security cameras in district schools during the 2018-2019 school year, which will enhance the security of the buildings and grounds.

The community of Fairview is approximately one square mile in size, located in Bergen County, N.J. There are four elementary schools in our PK-8 district with an enrollment of approximately 1,430 students. The Fairview School District offers a breakfast and lunch program, extended-day program, summer school program and an after care program for all students. Information about the breakfast and lunch programs is available on the district website.

We wish all of our parents/guardians, students, community members and staff members a safe and enjoyable school year.

It is my pleasure to serve as the Fairview School District Superintendent of Schools.

Dr. David Sleppin, Superintendent of Schools

"Raising Expectations For Each And Every Student"
