STUDENT HANDBOOK/CODE OF CONDUCT

I. INTRODUCTION

The policies and procedures contained in this handbook are the result of concentrated efforts on the part of the faculty and administration. This information has been carefully prepared and presented so that it will be of value in helping you and your parent/guardian to adjust to our school and to become an integral part of it.

The ultimate purpose of education is to help each student become an effective citizen in a democracy. Each student will develop and accept the responsibilities and obligations of good citizenship and will learn to participate successfully in the world of tomorrow. We hope all students will participate in our varied activities and find that our preparation will help them live a better life and achieve their goals in our society.

II. ATTENDANCE/TARDINESS

A. Student Attendance Policy

1. A total of ten (10) days absent are permitted during the current school year with a parent and/or doctor's note. A PHONE CALL MUST BE MADE (201-943-0560/1 - extension – 10 or 12 or 15) IN ORDER FOR THE ABSENCE TO BE EXCUSED. A NOTE SHOULD BE SUBMITTED WHEN THE STUDENT RETURNS TO SCHOOL.
2. **If any student is absent more than ten (10) days, ONLY A NOTE FROM A DOCTOR will be accepted.** The note must indicate that the student was not permitted to attend school. There is a strong possibility that the student may be retained if he/she exceeds the 10-day limit. Also, DUE TO regulations from the state, it mandates that the school report *10 or more unexcused absences*.
3. **A student is considered late once the homeroom bell rings (8:25 a.m.)** **If a student is late, it will be determined by the building principal if the student should be excused.** If a student is late ten (10) or more times for the school year, he/she **may not be permitted to attend any class activities.** **This includes class trips, dances, sports, etc.**

4. Lincoln School seeks to enlist the cooperation of the parent/guardian in the matter of school attendance. Without your cooperation, we cannot succeed in achieving our goals for your child.
5. *It is the responsibility of the student to ask the teacher(s) for all assignments that were missed.* Any assignments that are not made up will be reflected in the student's grade.
6. If the student's absence is due to ANY family situation, please inform the school prior to the date. If your child needs to leave before the end of the school year in June, the student must be in good academic standing and **must satisfy all requirements** to be passed to the next grade. This includes any and all subjects!

Students must return the locks at the end of their school year or if transferring out of district. If locks are not returned, the \$5.00 deposit will be kept to replace the lock. Students are responsible for their books and personal items that are kept in their lockers. Combinations **SHOULD NOT** be given to anyone. If a locker is damaged or broken, it must be reported to the homeroom teacher. Students are urged to bring their own lock for PE class. These items are either not permitted in school, or should have been handed in to the homeroom teacher.

SEARCH AND SEIZURE

School lockers remain the property of the district even when used by students. State law codified at N.J.S.A. 18A:36-19.2 expressly provides that: The principal or other officials designated by the local Board of Education may inspect lockers or other storage facilities provided for use by students so long as students are informed in writing at the beginning of each school year that inspections may occur. **This is hereby considered your written notice.** A student’s person and possessions may be searched by school officials when there are reasonable grounds on the part of the official to believe that illegal or prohibited substances/objects are present. **A LOCKER MAY ALSO BE SEARCHED BASED SOLELY UPON AN ANONYMOUS TIP AND/OR RUMOR THAT CONTRABAND IS PRESENT.**

The dress of students contributes to the general behavior and attitude of the entire school. The school has an obligation to encourage proper standards of dress among students. The following general guidelines are relative to students dress:

SCHOOL UNIFORM PANTS ARE NOT SKINNY JEANS OR CARGOPANTS.
CUTOFF PANTS ARE PROHIBITED TO BE WORN TO SCHOOL.
WITHOUT THE PROPER UNIFORM – YOU MAY BE SENT HOME.

Wherever student responsibilities are described here, it is understood that parents jointly share these responsibilities with their children.

XXIII. REINFORCEMENT FOR GOOD CONDUCT AND ACADMEIC SUCCESS

The Fairview Public School System adheres to the firm belief that students have basic rights and responsibilities in pursuing their educational experiences in school.

A. The basic student rights include:

- the right to due process
- the right to a safe environment
- the right to freedom from discrimination
- the right to educational opportunities
- the right to inquiry and expression

B. The privileges and rights of students may not, however, interfere with the rights of others. The right of freedom of expression does not condone abusive, physical or verbal expression infringing on the rights of others. Therefore, the privileges or rights carry with them the task of responsibility. The students have the responsibility to adhere to school rules.

C. We believe that positive attitudes work. We recognize children who have learned to control their actions and work in the classroom. Teachers will encourage and praise children. We will recognize and admire the children who are learning self-discipline and good citizenship. School acknowledgement of the children's achievement may be in the form of:

* **Accommodation letter**

* **The teacher's spoken praise**

- **The teacher's written praise**

- **Special activities**

- **Student of the Month** – each month a student who exemplifies school spirit, a concern for others and academic effort will be honored. The student will be given a certificate and have his/her name posted.

BULLYING POLICY

The Legislature finds and declares that: a safe and civil environment in school is necessary for the students to learn and achieve high academic standards; harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's to educate its students in a safe environment; and since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying. (A1256)

The Fairview Board of Education believes strongly in the New Jersey State Policy N.J.S.A. 18A:37-15 (3)(b)(1-10) prohibiting harassment, intimidation and bullying on school property, at school-sponsored functions and on all school transportation vehicles. The board policy requires all students in the district to adhere to the rules and regulations established by the school district and to submit to such disciplinary measures as are appropriately assigned for infraction of these rules.

Please be aware that in accordance with the district's "Zero Tolerance" policy (Board Policy No. 5512.01) for bullying, any student of the Fairview Public Schools who commits a bullying offense will be held responsible for his or her own actions and will be prosecuted to the fullest extent that the Bullying Law allows.

As a concerned and caring parent we urge you to make sure that your child understands and follows this law and policy carefully. If you should have any questions with regard to this policy, please contact the school at your earliest possible convenience and set up an appointment to review our policy.

It is the goal of the Fairview Board of Education to ensure the protection, safety and well-being of all children that attend the Fairview Public Schools.

CODE OF STUDENT CONDUCT CONTRACT

Student's name (Please Print) _____

Address and cell phone number _____

Students, parents/guardians, teachers, counselors, administrators and office staff all play important roles in our schools. With so many people working together, problems may still occur from time to time. Rules have been made to address these problems. Like laws, rules apply to everyone and they work only when everyone cooperates.

This booklet lists the rules for students in Lincoln School. The rules apply to all activities occurring on school grounds, on sites being used for school activities and for any vehicles authorized for the transporting of students. **Please read them.** Parents, students, school faculty and staff must be familiar the rules.

Since parents/guardians can be held responsible for the actions of their child (children), it is important that they are aware of the rules and consequences if the rules are violated.

Parents/guardians need to become involved in the education of their children and have the responsibility to provide the school with current emergency contact information and/or telephone numbers. They also have the responsibility to notify the school of anything (such as a medical condition), which may affect their child's ability to learn, to attend school regularly or to take part in school activities. Parents should take special notice to the Attendance and Tardy sections as well as the Suspension and Expulsion provisions, which are in accordance with the Fairview Board of Education Policy.

The school must have proof that every student and every parent or guardian has had the opportunity to either read this handbook or hear it read aloud. Please detach this page, sign it and send it back to school with 5 days. **Signed forms must be a part of every student's record.**

YOUR SIGNATURE MEANS THAT YOU HAVE READ THIS BOOKLET AND ARE AWARE OF THE SCHOOL RULES. (It does not necessarily denote agreement with the rules and regulations.)

DRUG, ALCOHOL, WEAPONS AND VIOLENCE ZERO TOLERANCE POLICY

The district's zero-tolerance policy is clear. ***Any incident involving drugs of any kind, Tobacco, Electronic Cigarettes (Vaping), Alcohol, or Violence is unacceptable. The steps that are taken in all such cases, no matter how large or small the potential risk to our students and staff may be, are as follows:***

The student (s) involved will be suspended from school and will remain out of school for a minimum of three to five days. Additional disciplinary actions follow and are determined on a case-by-case basis.

The Fairview Police Department is always notified in such cases. School officials work with local law enforcement to determine whether criminal charges are appropriate. At the very least, an incident report is filed and the Juvenile Officers become involved with the student (s) and their parent/ guardians.

Before being readmitted to school, the student (s) will be evaluated by a district screened psychiatrist (an M.D. not employed by the school district) to determine whether the students pose any risk to themselves or others. For the student (s) to re-enter, the physician must sign a statement certifying that the student (s) does not pose a risk if he or she returns to school.

Next, again before being allowed to return to class, the student is evaluated by a psychologist and a social worker that are part of our district's Child Study Team. They make their own recommendation as to whether the child should be permitted to return to school. Then and only then is a child permitted to re-enter school.

Finally, if and when the student (s) involved in an incident are allowed to return to school, a full program of counseling is mandated as a condition for school attendance.

This Zero- Tolerance Policy is one part of the district's overall plan for guaranteeing the safety and security of all students and staff. The safety and security of our students and faculty are our number one concern and priority.
