Dear Parent/Guardian,

The Fairview School District will be providing parents and/or guardians with information on any State Assessment or commercially-developed standardized assessment that will be administered during the current 2018-2019 school year. The information is attached to this letter.

The information will include:

- The subject area of the assessment and grade levels covered by the assessment;
- The date or range of potential dates for the administration of the assessment;
- The time allotted for the student to take and complete the assessment;
- Any accommodations or accessibility options available to the students;
- Information on how and when the student and his/her parent or guardian can access both sample questions and answers to the assessment and the student's results; and
- Whether the assessment is required by State or federal government, or both.

The district will conduct public meetings to explain the PARCC grades 3-8 assessment, ACCESS for ELL's grades K-8 (English Language Learners Test) and NJSLA-S Science Test for grades 5 & 8 to district parents and the school community. The meetings will be held on Tuesday, September 25, 2018 at 5:30 PM in the Lincoln School Gymnasium and on Thursday, September 27, 2018 at 5:30 PM in the # 3 School Annex Gymnasium. Please make every effort to attend these meetings. If you have any questions, please contact Mr. Louis DeLisio, Supervisor of Curriculum and Instruction at 201-943-0564.

Sincerely,

Dr. David Sleppin  
Superintendent of Schools
