RE: **Weather Emergencies 2022-2023 School Year**

As the winter season approaches, I would like to remind you of the district procedures regarding notification of a school closing, delayed opening, or early dismissal that may be necessary during weather emergencies.

The district utilizes the RealTime and Swiftreach automated notification systems to alert each individual student, parent and staff member, via telephone, email and text of a schedule change or school closing. In order to ensure the effectiveness of this system, **please make sure your contact information is current.** This can be done by contacting the secretary in your child's school and updating your contact information.

In addition, notice of school status will appear on the following television station:

WABC (Channel 7)

Also: The Alert Notice on the district website (www.fairviewps.org) and on digital signs in front of schools will also contain an emergency notification.

In general, notification will be posted by 6:00 AM

Reminder:

Delayed Opening – Pre-Kindergarten through 8th grade Students report at 10:00 AM.

Early Dismissal – Students in grades Pre-Kindergarten through 8th grade will be dismissed at 12:45 PM.

Please contact your building Principal if you have questions, or need additional information.
