

## Superintendent's Message

Welcome to the Fairview Public School District website. The 2023-2024 school year will be starting for all students in grades Pre-K-8 on September 7, 2023. Pre-K students will be attending classes at the Head Start Building in Cliffside Park, N.J. for the 2023-2024 school year. This will be a busy year for students, parents, teachers and staff as we prepare for the new school year. We ask for the patience, cooperation and understanding of all parents and families as the new school year begins. The Fairview School District is committed to providing a safe and healthy learning environment for all students, teachers and staff. The Fairview District is pleased to announce that the installation of the new HVAC units in Lincoln School and Number Three School is now complete! These new systems have improved the air quality, ventilation, air filtration, heating and air conditioning in both of these buildings. The district also completed much needed renovations and improvements at Lincoln School during the summer of 2023!! The Fairview School District is proud to provide a quality elementary education to our students. The district now has one chrome book for each student in grades PK-8. We also upgraded our internet infrastructure and phone system during the summer of 2023! We are happy to provide the new phone system and reliable internet access to all of our schools and students. The district will continue to employ full-time security officers in all of our schools, which will enhance the security of the buildings and grounds.

The community of Fairview is approximately one square mile in size, located in Bergen County, N.J. There are four elementary schools in our PK-8 district with an enrollment of approximately 1,600 students. The Fairview School District offers a breakfast and lunch program, after school program, summer school program and an after-care program for all students. This year the district is planning to offer all of these programs. Information about the breakfast and lunch programs is available on the district website.

We wish all of our parents/guardians, students, community members and staff members a safe and enjoyable school year.

Stay healthy and safe.

Dr. David Sleppin, Superintendent of Schools

*"Raising Expectations For Each And Every Student"*
