---

Dear Members of the Fairview School Community,

I am writing to introduce myself as the newly appointed Superintendent of Schools. It is with great enthusiasm and dedication that I join this esteemed district, and I look forward to collaborating with all stakeholders to continue the tradition of excellence in education that Fairview has to offer.

With almost 25 years of experience in education, including elementary teacher, high school teacher, whole school reform facilitator, instructional technology coordinator, vice principal, principal and a NJDOE educational specialist, I bring a deep commitment to student success, innovation in teaching methodologies, and fostering a supportive learning environment. Throughout my career, I have been driven by the belief that every student deserves access to a high-quality education that prepares them for future challenges and opportunities.

I am particularly excited to work alongside our talented educators, staff, parents, and community members to ensure that our students receive the best possible educational experience. Together, we will focus on academic achievement, social-emotional learning, equity, and inclusion, ensuring that every child in our district has the resources and support they need to thrive.

As I embark on this new role, my door is always open to your ideas, feedback, and collaboration. I am eager to learn from each of you and to contribute to the ongoing success of the Fairview Public School District. Together, we will build on the strong foundation that has been laid and propel our district to even greater heights.

Please feel free to reach out to me at [denglese@fairviewps.org](mailto:denglese@fairviewps.org) with any questions, suggestions, or simply to introduce yourself. I am excited to begin this journey together and to serve the Fairview Public School community.

Yours in education,  
**Damon J. Englese, M. Ed.**  
Superintendent of Schools
